Sign Up

To enrol in the Rewards Programme, download the App to your mobile device and follow the prompts to create an account through the App.

How It Works

The Rewards Programme is designed around a piece of magic called the 'Magic Stamp'.

Each time you make a qualifying purchase (see Qualifying Purchases section) at a Participating Store, you will earn a stamp (Stamp) which is validated on your account using the App on your mobile device.

Stamp validation occurs by the till-operator touching the Magic Stamp on the screen of the mobile device.

Once you have collected a certain number of Stamps (to be determined by the Participating Store), you will be eligible to receive a reward (Reward).

The number of Stamps required to earn a Reward, the type of Reward and any requirements around redeeming a Reward may vary depending on the Participating Store selected and are indicated within the App.

Once earned, your Reward will be available for redemption through your mobile device.

To redeem a Reward, you must present your mobile device to the till-operator in the correct Participating Store for validation. You can also view and track your Rewards progress by visiting the App.

Qualifying Purchases

The rules for a Qualifying Purchase are either indicated within the App or by Participating Stores. In the event of any ambiguity, the rules laid out by Participating Stores shall prevail.

General

There are no membership fees associated with the Rewards Programme. Stamps accumulated under the Rewards Programme have no cash value.

Your Stamps, benefits and Rewards Programme account are personal to you and may not be sold, transferred or assigned to, or shared with, family friends or others.

The Company reserves the right to 'unregister' and make ineligible for the Rewards Programme any account that has been inactive for two consecutive years. Inactive is defined as no purchase activity.
